

Volunteer to be a Field Trip Tour Guide at The Bakken Museum!

We are looking for eager individuals, excited to share the wonders of innovation with school children! As a volunteer tour guide, you will experience The Bakken Museum in a whole new light; facilitating a unique learning experience, while providing a needed service to elementary age student groups.

You will receive thorough training from our staff of education rockstars!

Every time you volunteer, you will have the opportunity to truly inspire a future innovator. Perhaps this innovator will be able to recall that one experience they had at The Bakken Museum, thanks to you as their fantastic guide!

For more information on how to become a volunteer tour guide, please visit:
<https://thebakken.org/volunteer/>

Make this experience one the students will remember for years to come!
